

A Bad Good man -1

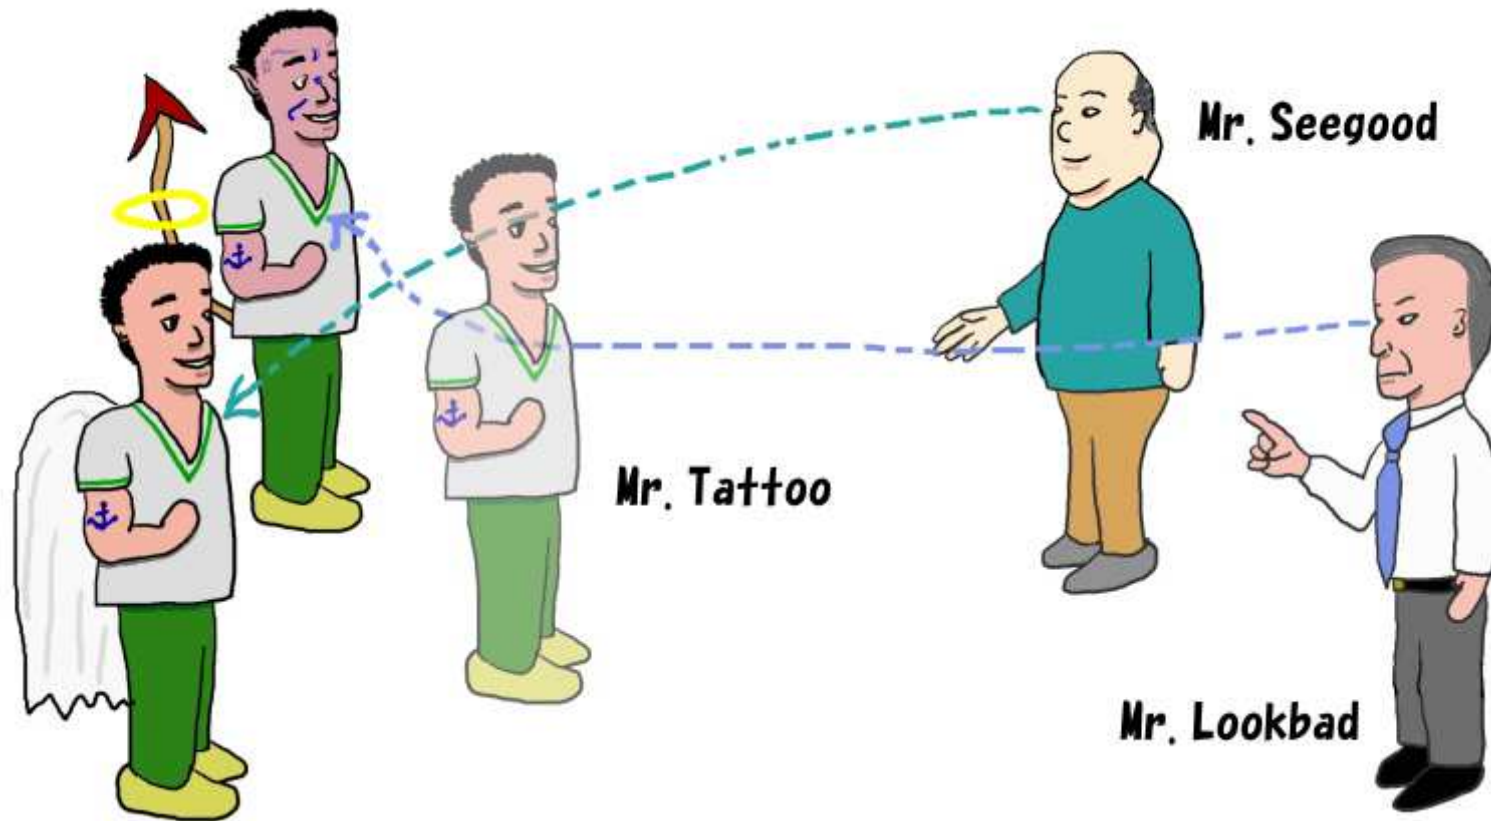

Jun Togo

It may sound too sudden, but what kind of person is he? (Let's assume his name is Mr. Tattoo.)

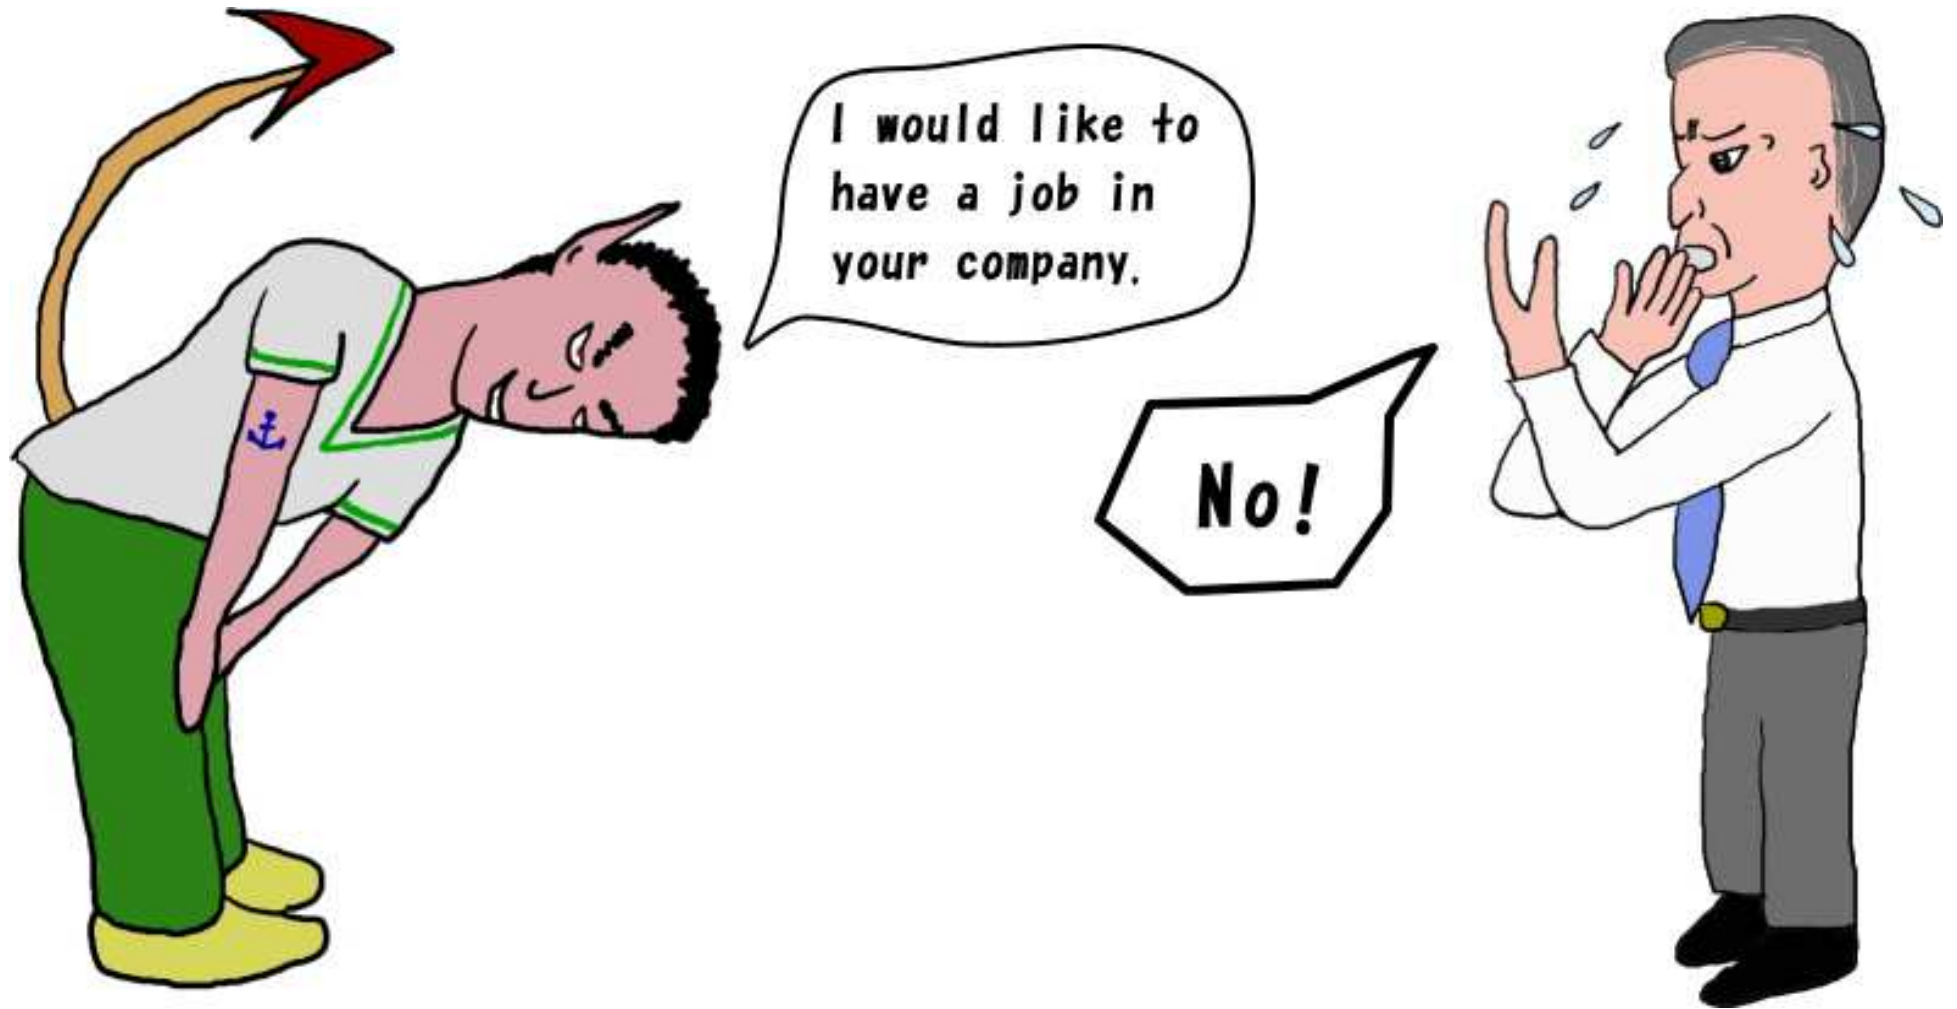

What? You never know? ...Right. A person cannot be judged by his/her appearance. A human may lie and pretend. Therefore people's recognition about Mr. Tattoo varies.

A man (Let's assume his name as "Mr. Seegood") perceives Mr. Tattoo as a bad man like a criminal. It may be because Mr. Tattoo has a tattoo. Another man (Let's assume his name as "Mr. Lookbad") regards Mr. Tattoo as a good man with full of love. It may be because Mr. Tattoo has a nice smile. ¹

¹ N.B. The writer has no intention to claim whether a person with a tattoo(or a nice smile) is good or bad

Mr.Lookbad regarded Mr.Tattoo as a bad man, so Mr.Lookbad treats Mr.Tattoo based on his recognition. For example, if Mr.Lookbad is an interviewer of the job;

It is natural to refuse a person who seems bad.

If Mr. Tattoo's girlfriend happens to be Mr. Lookbad's daughter;

It is natural to protect a beloved daughter from an evil guy.

If a robbery happens nearby;

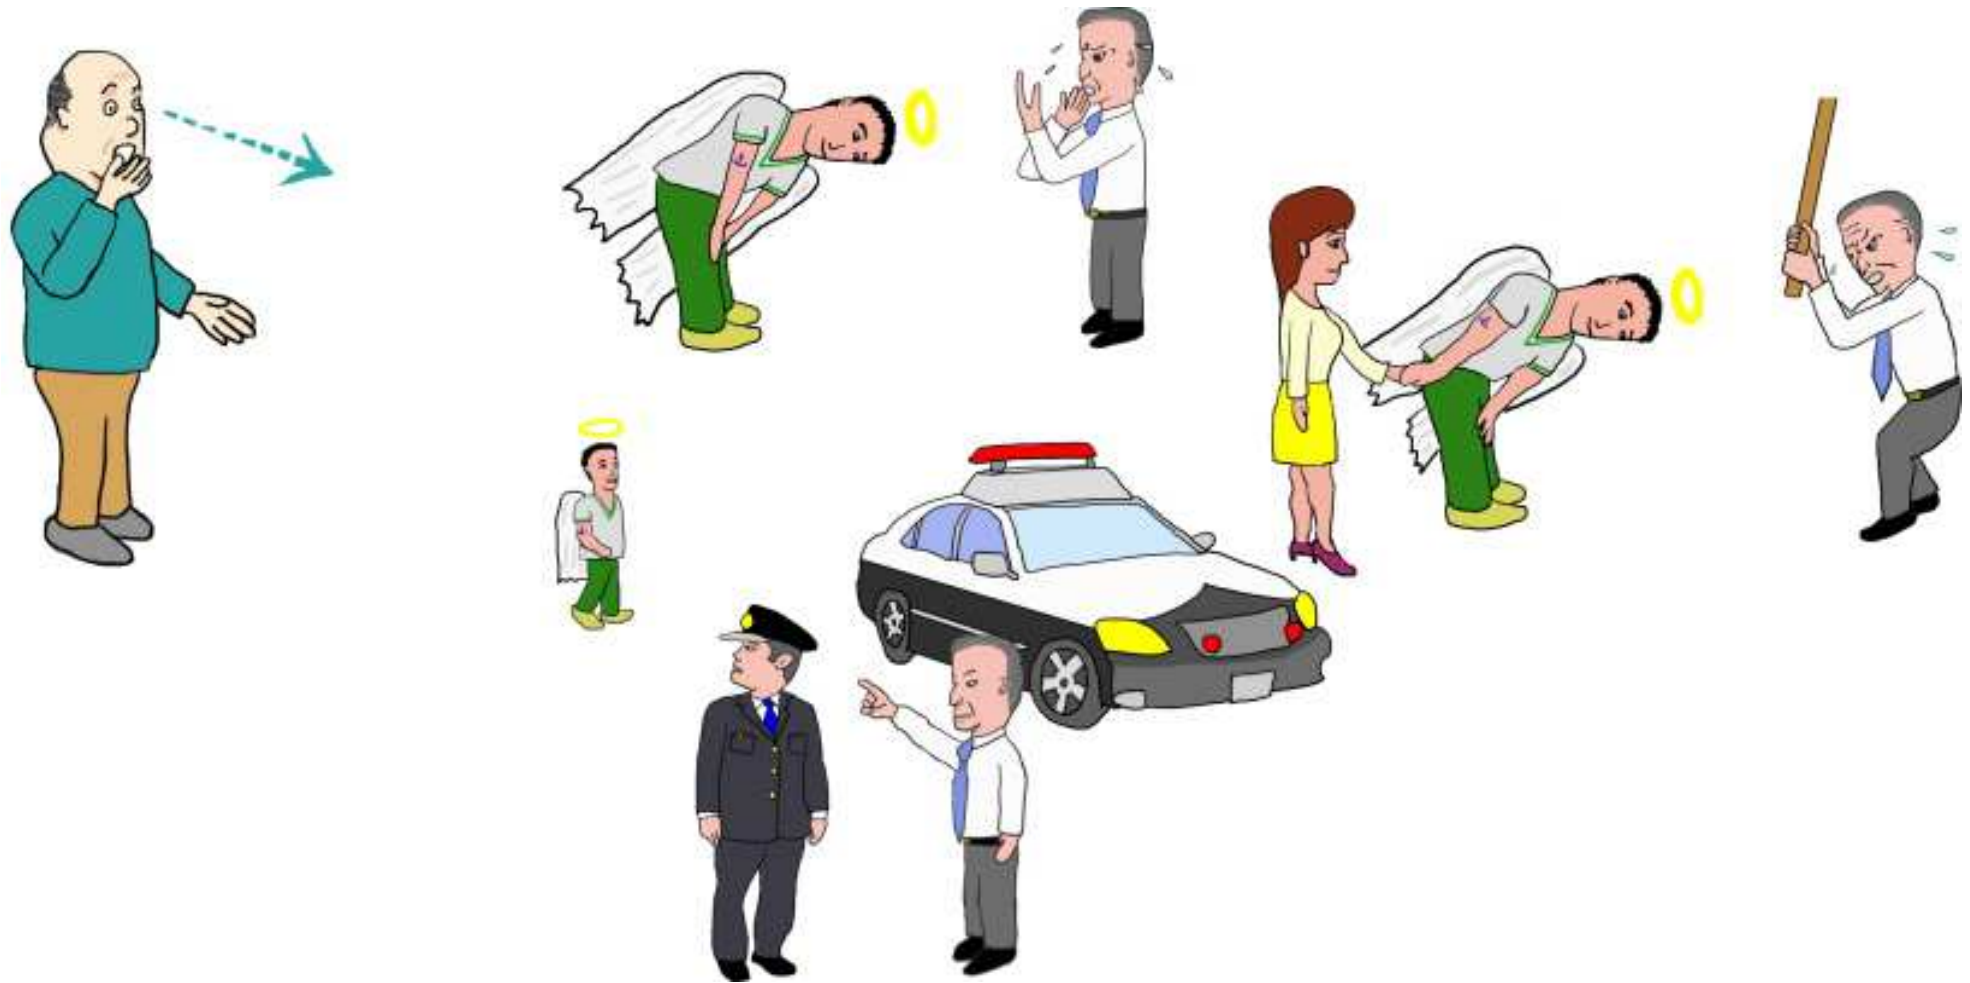

Was there any suspicious man in this area?

There is a criminal-like man who has a tattoo.

It is natural to suspect a person who seems bad when a crime happens.

Now please imagine the point of view through Mr.Seegood. How does it look like from Mr.Seegood's position? Please remember that Mr.Seegood regards Mr.Tattoo as a good man instead of a bad man.

Is there any chance for Mr.Seegood to recognise that Mr.Lookbad is **unfairly discriminating** Mr.Tattoo?

Afterword - picture book “A Bad Good man -1”
