

A Bad Good Man -3

Jun Togo

There are three men, the first one is called Mr. Tattoo, and the other two are called Mr. Lookbad and Mr. Seegood who are wondering what kind of man Mr. Tattoo is. Mr. Seegood thought that Mr. Tattoo was a good person with full of love. Mr. Lookbad thought that Mr. Tattoo was a habitual criminal.

What kind of person is Mr. Tattoo in reality? He is in fact a **habitual criminal**.

Mr.Seegood regarded Mr.Tattoo as a very good man, so Mr.Seegood treats Mr.Tattoo based on his recognition. For example, if Mr.Seegood is an interviewer of the job;

It is natural to positively employ a person who seems good.

Mr.Lookbad regarded Mr.Tattoo as a bad man, so Mr.Lookbad treats Mr.Tattoo based on his recognition.

For example, if Mr.Lookbad is an interviewer of the job;

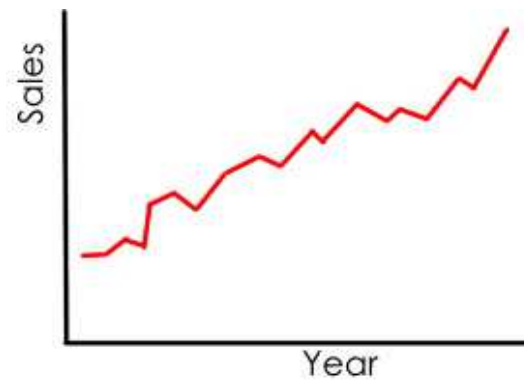

It is natural to refuse a person who seems bad.

Mr. Tattoo was employed by Mr. Seegood's company. Immediately after, Mr. Tattoo stole the money and run away.

As a result, Mr. Seegood's company ended up being bankrupt.

Mr. Tattoo was not employed by Mr. Lookbad's company, and their money was safe.

Mr. Lookbad's company did not go bankrupt and grew up strongly afterwards.

It is dangerous to perceive something wrongly. You cannot get what you wish for if you have wrong recognition. It is a natural fact; nothing to do with *good and evil*, or *discrimination*.
