

# ***Who is really bad?***

***Jun Togo***

A man is reading a newspaper and wondering.

Ummmm...

There are so many opinions.

Afghan war    Palestinian issue  
US military bases  
Terrorism  
Abduction issues    Bribery  
The death penalty  
Territorial disputes  
False charges    Abortion  
Animal rights    Drug trades  
Global warming...

They are accusing each other...

I wonder which is bad?

Who is really bad?

By the way, he believes that he must fight against evil. He has been taught this since he was a child. So his question can be re-written as follows according to his belief.

**Which should I fight  
against?**

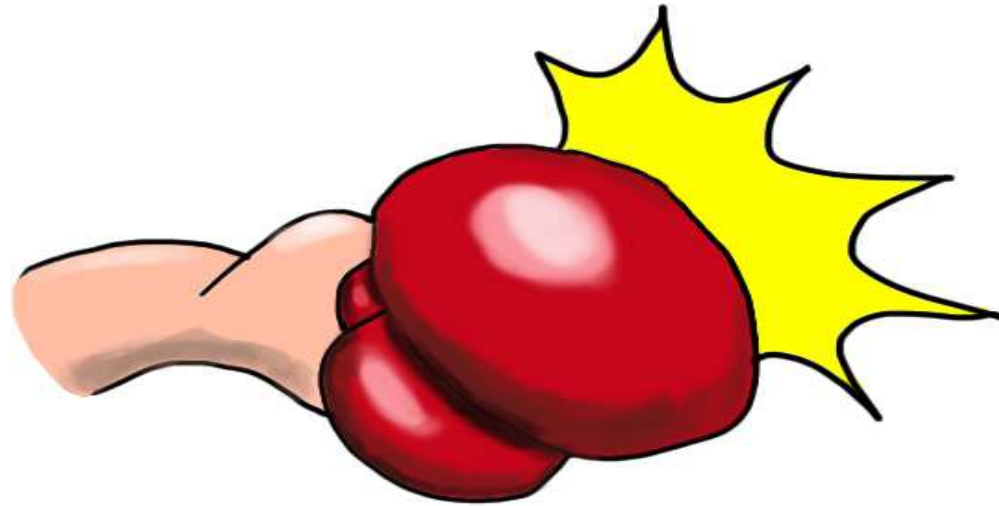

I wonder which is bad?

**Whom should I really  
fight against?**

Who is really bad?

***To fight against someone...***

***Is that the only choice?***

## Afterword -'Who is really bad?' picture book

There seems to be so many illusions related to the 'good and evil' ideology. These illusions tend to cause various tragedies which cause millions of people to suffer. (Please refer to my book, Good and Evil Addiction).

I have written this picture book with this illusion as the theme with the aim of reducing such tragedies.
